Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Your amended report fails to disclose receipts previously disclosed on your November Monthly Report. Please be advised that when amending an electronically filed document, you must submit a complete version of the report, rather than just those portions that are being amended. Please resubmit your report to include any omitted activity or provide clarifying information as to why this activity was omitted from this amended report.
11 CFR §104.18(f)
2. Schedule A supporting Line 15 of your report discloses an offset to an operating expenditure(s) totaling \$2,633.39 from "CHUBB"; however, your report(s) does not appear to disclose a disbursement to this entity. Please provide clarifying information regarding this activity and amend your report(s) if necessary.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee

will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1143.

Sincerely,
